ARK-LA-TEX REGIONAL AIR SERVICE ALLIANCENOTES TO FINANCIAL STATEMENTSNote 1 - Summary of Significant Accounting PoliciesUse of Estimates

Preparation of financial statements often requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Income Recognition

The source of substantially all revenue of Ark-La-Tex Regional Air Service Alliance (RASA) is through the collection of hotel occupancy tax by the municipalities of Shreveport and Bossier City. Generally, each municipality remits occupancy tax directly to RASA in the month following collection less a one percent service fee. RASA reports occupancy tax revenues at gross and service fees as an expense in the month collected by each municipality.

Occupancy Tax Receivable

Occupancy taxes receivable are reported at their realizable value, net of service fees. Occupancy tax remittances are generally due by the end of the month following the month of collection by each municipality. Late fees are not charged. Interest on unpaid balances is not charged and RASA does not make its accounts receivables available for sale. There are no bad debts.

Income Taxes

RASA is a not-for-profit organization and is exempt from income tax under Section 501(c) (4) of the Internal Revenue Code. Annual information returns are filed with the Internal Revenue Service (IRS) and subject to examination by the IRS generally for three years after the dates filed.

Cash Equivalents

For the purpose of the statement of cash flows, cash equivalents include bank deposits and highly liquid debt instruments acquired with maturities of three months or less.

Note 2 - Organization and Operations

RASA was chartered on January 23, 2012 with the mission to increase air service through the Shreveport Regional Airport for the benefit of citizens and business travelers in the Ark-La-Tex area. RASA works toward its objective through payments of incentives to airline carriers for their expansion of services in the Shreveport market. RASA's major funding source is the Shreveport-Bossier City hotel occupancy tax which became effective November 2015 and expires June 2027.
